About the OTC Blueprint Institutional Framework™

The OTC Blueprint Institutional Framework™

Every Professional Institutional Report is prepared using our proprietary eight-step research methodology.

Each company is evaluated using a consistent framework that examines:

- ✓ Business Quality
- ✓ Management
- ✓ Financial Position
- ✓ Share Structure
- ✓ Capital Structure
- ✓ Catalysts
- ✓ Risk Profile
- ✓ Proprietary OBIS™ Scoring

This standardized process helps ensure every report is objective, evidence-based, and consistent.

 -  Bull Case
 -  Bear Case
 -  Institutional Conclusion
-

EXECUTIVE SUMMARY

OTC Blueprint Institutional Score™

80 / 100

Overall Grade B+

Investment Classification

 Speculative Growth

Investment View

GIFA exhibits several characteristics commonly associated with developing OTC growth companies. While execution risk remains elevated—as is typical within emerging OTC issuers—the company's business initiatives, financial positioning, and identifiable catalysts support continued institutional monitoring.

Metric	Assessment
Business Quality	Strong
Financial Health	Constructive
Share Structure	Monitor
Overall Risk	Moderate

OTC Blueprint Institutional Score™

Category	Weight	Score	Institutional Rating
Business Model	10%	9/10	Institutional Quality
